I'M LOVING... ALLERGY REMEDIES

www.allergymatters.com

With 25 per cent of the population suffering from some kind of allergy, this is a fantastic one-stop website that sells everything you could need to prevent reactions. It's not just about pills and potions, there's nickel-free watches, dust mite busters, hair and skin care, even air-purifying

air-con units. You can shop by allergy, from asthma to psoriasis, with mould allergies and the like being catered for. What's more, there's even a wedding list section to begin your married life allergy-free. For enquiries call 0800 052 8228 or visit the website above.
