### Allergymatters try harder ...

#### Pet Allergy

Our product range gives long term pet allergy protection, which combines to treat your pet, your home and your clothing.

#### Dust Mite Allergy

We test all our appliances and bedding to ensure the best quality and performance. If we don't like it, it won't get it.

#### Hay Fever

Our range of natural homeopathic remedies eliminates the need for strong medication.

#### Asthma

We deal holistically with the condition, testing each trigger one by one. We stock most asthma products to fit in with your lifestyle and to suit all ages.

#### Light Therapy

Light boxes have to fit in with your lifestyle. That's why we stock stylish, go anywhere products or products from around the world to ensure regular use.

Herbal remedies and skin care. At sea, psoriasis, eczema and more. Sufferers find treatments especially for them. We have put together the best, tried and tested products available.

#### Scalp Psoriasis

If you are fed up with your itchy, flaky scalp, we offer shampoos free of sodium lauryl sulphate, natural scalp oil and gentle conditioners to relieve the condition.

#### Nickel Allergy

At sea, a truly nice free chance to wear costume jewellery again!

#### Head Loss

No longer a taboo subject! We offer a safe, tried & tested range of natural products and are working together with schools to rid our children of the syndrome.
